WORK EXPERIENCE

Freelance Video Editor & Videographer / EbikeBrothers

FEB 2025 PRESENT / Freelance

As a freelance video editor and videographer for EbikeBrothers, I produced a wide range of content to support the brand's marketing and social media presence.

-  Created talking-head product videos, speed-ramp sequences, and lifestyle clips featuring people riding e-bikes for promotional use.
-  Edited content for YouTube, Instagram, TikTok, and Facebook Ads.
-  Handled the full production cycle: shooting, editing, color correction, sound, and basic motion graphics.
-  Produced content in Finnish.

Tools used: DaVinci Resolve.

UX/UI Designer / Novoe TV

NOV 2022 - DEC 2022 / Freelance, Estonia

- Responsible for Market Research, User Research, Information Architecture, Visual Design, Wireframing, Prototyping and User Testing across mobile app.
- Collaborated with stakeholders, product managers, programmers to help define product requirements;

Co-Founder & UX/UI Designer / Programix.pro

JAN 2022 - SEP 2022 / Full-time, Russia

- Create a unified user experience for an e-commerce website, which includes leading wireframing activities and identifying new web features;
- Coordinate with web developers to improve website interactions;
- Design presentations and print materials for the marketing and sales teams.

Graphic Designer / Sun Arch

JUN 2022 - JUL 2022 / Freelance, Russia

- Created print materials, such as posters, flyers, and brochures
- Designed visual content for social media platforms
